Possibility thinking builds with positive energy

The Four P's of Energy

1. Possibility Thinking: the _____ that allows the energy to build
» The energy principle
2. Passion: the _____ that puts that energy to work
» What are you passionate about?
3. Praise: the _____ that keeps the energy going
» Encouragement is the oxygen of the soul
4. Progress: The _____ that shows your positive thinking is paying off
» Growth is happiness

“Man often becomes what he believes himself to be. If I keep on saying to myself that I cannot do a certain thing, it is possible that I may end by really becoming incapable of doing it. On the contrary, if I have the belief that I can do it, I shall surely acquire the capacity to do it even if I may not have it at the beginning.”

–Mahatma Gandhi

Possibility thinking continues with pursuing opportunities.

“If we all did the things we are really capable of doing, we would literally astound ourselves.”

–Thomas Edison
